## **Inclusion and diversity**

North Melbourne Primary School strives to provide a safe, inclusive, and supportive school environment which values the human rights of all students and staff.

North Melbourne Primary School is committed to creating a school community where all members of our school community are welcomed, accepted, and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability, or sexual orientation so that they can participate, achieve, and thrive at school.

North Melbourne Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community, and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At North Melbourne Primary School, we value the human rights of every student, and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

North Melbourne Primary School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity.
- Ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (e.g. schools sports, concerts) on the same basis as their peers.
- Acknowledge and respond to the diverse needs, identities, and strengths of all students.
- Encourage empathy and fairness towards others.
- Challenge stereotypes that promote prejudicial and biased behaviours and practices.
- Contribute to positive learning, engagement, and wellbeing outcomes for students.
- Respond to complaints and allegations appropriately and ensure that students are not victimised.

North Melbourne Primary School promotes the use of a common language regarding our expectation for treating one another with respect.

Bullying, unlawful discrimination, harassment, vilification, and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at North Melbourne Primary School. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying Prevention* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Students that are involved in bullying or harassing others on the basis of their personal attributes will be supported to understand the impact of their behaviour. They will be supported and given the opportunity to repair relationships using a restorative practice approach.

## **Reasonable adjustments for students with disabilities**

North Melbourne Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken

to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy.
